

Now Available from the Live Smoke Free program...

"An Apartment Manager's Guide to Adopting a Smoke-Free Building Policy in the United States"

Booklet for Multi-Unit Housing Property Managers

The booklet includes:

- ✓ The benefits of smoke-free apartments
- ✓ How to adopt and implement a smoke-free policy for multi-unit housing
- ✓ Information on the legality of smoke-free policies and how to enforce them

This 16-page tabbed booklet provides a first look at smoke-free multi-unit housing for property owners and managers; this booklet is written for a national audience. Tobacco control professionals with limited or no resources to design and print educational booklets to distribute to the multi-unit housing industry are invited to order quantities of these booklets to help supplement their work on smoke-free multi-unit housing.

This booklet was developed by the Live Smoke Free program at the Association for Nonsmokers—Minnesota, along with the Public Health Law Center, home of the Tobacco Control Legal Consortium, with funding from the Communities Putting Prevention to Work Minnesota Mentoring Supplement.
