

Documenting your experience with secondhand smoke drifting into your multi-housing unit can be a valuable tool for showing your property manager how and when you are being harmed. Also, if you pursue legal action, these notes will help detail your situation.

Secondhand Smoke Exposure Log

Experienced by Resident: _____ Unit # _____

| Date of Exposure <i>*Record each incident</i> | Time of Exposure <i>*ex. 9pm-11pm</i> | Location <i>Where in the building or your unit are you being exposed?</i> | Symptoms <i>How did the secondhand smoke affect you?</i> | Action Taken/ Notes <i>Ex. Did you: Run a fan? Talk to the smoker? Talk to the manager? Seal off a vent?</i> |
