

Thank you for your interest in a Smoke-Free Policy!
In Step One: “I’m Thinking of Adopting a Smoke-Free Building Policy”
you will find:

Smoke-Free Apartments DVD

This DVD describes the benefits and steps involved with adopting a smoke-free policy.

About the Live Smoke Free Program

This sheet describes all of the free resources available from Live Smoke Free.

Adopting a Smoke-free Building Policy: A Three-Part Series for Multi-Unit Property Managers/ Owners and Assistance for Homeowners Associations

This sheet describes the 3-step process to adopt a smoke-free policy.

Residual Damage from Cigarette Smoking: The Cost of Allowing Smoking in Multi-Unit Housing

This fact sheet describes the costly, physical damage that cigarette smoking does to an apartment unit.

Up in Flames: The Dangers of Smoking in Multi-Unit Housing

This fact sheet discusses the fire risk involved with allowing smoking in multi-unit housing.

Secondhand Smoke in Apartment Buildings

This fact sheet discusses how air moves within multi-unit housing, the market demand for smoke-free buildings, and results from Minnesota renter surveys.

Sample Resident Letter and Secondhand Smoke Survey

This is a sample resident letter and survey you can use to gauge your resident’s interest in a smoke-free policy.

Common Area Sign Order Form

Use this order form to obtain free smoke-free common area signage (common indoor areas of rental apartments must be smoke free under MN state statute Minn. Stat. § 144.413 subd.2).

Smoke-Free Building Profile

A profile of a MN-based property or company that has gone smoke-free.

A Breath of Fresh Air: 5 Reasons to Consider Implementing a Smoke-Free Housing Policy

The National Apartment Association’s *Units* Magazine that features the growing trend of smoke-free multi-housing.
